Scaffold Double Fixed Coupler Sleeve Scaffolding Coupler Types and Clamps Load Capacity Weight

Our Product Introduction

Basic Information

- Place of Origin: china tianjin
- Brand Name: scaffolding coupler
- Certification: SGS
- Model Number: BT205
- Minimum Order Quantity: 1000
- Price: 8.5-15.8
- Packaging Details: In bundles
- Delivery Time: 15-25
- Payment Terms: TT/TC

Product Specification

- MOQ: 1000
- Name: Scaffolding Coupler
- Standard: EN74-1
- Color: Silver
- Material: Steel
- Surface Treatment: Galvanized
- Package: Container
- Feature: High Strength
- Highlight: **Scaffold Double Fixed Coupler Sleeve**, **Double Fixed Scaffolding Coupler**, **EN74-1 Scaffolding Coupler**

Product Description

Product Description:

The implementation of the Scaffolding Coupler is straightforward, allowing for quick and efficient construction of scaffolding. Its ease of use is a valued attribute, as it saves time and reduces labor costs on the job site. The simplicity of the design also means that workers can easily learn and apply the correct installation techniques, further enhancing the safety and efficiency of the construction process. Quality is not an afterthought when it comes to these Scaffold Beam Connectors. Each Scaffolding Coupler is manufactured to adhere to the stringent EN74-1 standard, a testament to its superior design and manufacturing process. This means that each coupler has undergone rigorous testing to ensure it can perform under the demands of heavy loads and everyday wear and tear. By meeting these standards, the Scaffolding Coupler provides peace of mind for construction managers and workers alike, as they can be assured of its reliability and safety credentials.

Technical Parameters:

Attribute	Details
Name	Scaffolding Coupler
Feature	High Strength
Surface Treatment	Galvanized
Package	Container
Material	Steel
Application	Construction
Standard	EN74-1
Color	Silver
MOQ	1000

Customization:

Brand Name: Scaffolding Coupler
Model Number: BT205
Place of Origin: China Tianjin
Certification: SGS
Minimum Order Quantity: 1000
Price: 8.5-15.8
Packaging Details: In bundles
Delivery Time: 15-25 days
Payment Terms: TT/TC
MOQ: 1000
Feature: High Strength
Standard: EN74-1, BS1139 Standard Couplings
Application: Construction, Scaffold Beam Connectors
Package: Container
Our scaffolding couplers are crafted to meet the highest standards of safety and durability. As a leading British Coupler Manufacturer, we ensure that our products align with the stringent requirements of the BS1139 Standard Couplings. Whether you need Scaffold Beam Connectors for complex constructions or simple structures, our couplers provide the high-strength connection you can trust.
